What will your role be?

As a Marketplace Account Manager, you will build and engage a portfolio of sellers on a given 3DEXPERIENCE Marketplace Service to generate revenue, and increase the footprint of the service. You manage the relationship between Dassault Systèmes and the sellers.

The challenges ahead

- Develop and engage a portfolio of sellers;
- Communicate and sell new features and new services to sellers;
- Define and execute a CRM for sellers;
- Define communication channels and create associated content;
- Create and animate our sellers community;
- Implement sales tactics and measure their effectiveness;
- Create and develop training for sellers;
- Participate in external and internal events in order to increase the seller engagement and the footprint of the Marketplace.
