Adresse	Baareremattstrasse 3, 6340 Baar, Switzerland
Code postal	6340
Ville	Baar London
Référence	24D1722263133
Titre de l'offre	Glencore – Industrial Assets Management Graduate Programme
Description de la mission	<p>The Glencore Graduate Programme</p> <p>The Graduate Programme at our global headquarters aims at developing the next generation of Glencore professionals. The programme offers successful graduates the opportunity to understand different functions of the business through internal rotations and to advance their careers in a performance-driven culture.</p> <p>Our graduates work directly with industry experts, are given real responsibility and as a result gain a variety of skills. Additionally – graduates receive training on topics like trading, traffic, finance, business analytics, networking and public speaking through best-in-class training partners.</p> <p>All graduates are assigned a mentor to guide them through their development at Glencore. Our mentoring programme supports new joiners in understanding company culture and building their network across the organisation.</p> <p>The Industrial Management Team</p> <p>The Industrial Management team is based in Baar, Switzerland, and collaborates closely with departmental teams across our various commodities. With a strong analytics and problem-solving background, our team provides leadership, expertise, advice, and guidance on data challenges and extract knowledge and insights from structured and unstructured data.</p> <p>Who we look for</p> <p>We are looking for students who are currently enrolled in or have recently graduated from a Bachelor's or Master's degree, ideally in Geology or Engineering.</p> <p>Applications are open now and close on October 15 – applications will be reviewed on a rolling basis, so an earlier application may lead to an earlier decision.</p>
